

MARK WITASCHEK JOINS McLEAN ASSET MANAGEMENT

For Immediate Release
October 15, 2009
McLean, Virginia

McLean Asset Management Corporation proudly welcomes Mark Witaschek as Senior Vice President, Wealth Management. Mark came to McLean with a solid recommendation from one of McLean's strategic partners, Dimensional Fund Advisors, a firm that is well known to all of Mark's clients and McLean's clients as a lead manager of investment portfolios. McLean also looks forward to Mark's team of Lorraine Malo and Rob Cordeau joining McLean in the very near future. They will all be working out of our Bedford, New Hampshire offices at 264 South River Road.

Mark shares McLean's values of independence, uncompromising service and dedication to achieving clients' objectives.

McLean is committed to providing a superior experience for Mark's clients, and values this opportunity to continue its standard of excellence. The new synergies with Mark will enhance our ability to help Mark's clients achieve their overall financial goals.

McLean Asset Management Corporation is an independent registered investment advisor providing wealth management services to individuals and families across the United States. To learn more about the firm, please visit the website at www.mcleanam.com
